Parents,

Thank you for allowing your child to participate in our junior golf program! We are going to learn a lot this summer and have a ton of fun as well! My goal for your child is not to turn them into the next young PGA Tour star, but rather to introduce them to the game of golf, or, in some cases, enhance their interest in the game of golf. It is the greatest game in the world, and if we introduce it to them the right way, it is one I hope they will enjoy for the rest of their lives!

Fore Better Golf,

Jon Turner, PGA Head Golf Professional
