To the parents:

Thank you for allowing your child to participate in this year's junior golf-footgolf program. We are going to learn a lot this summer and have a lot of fun as well! The addition of FootGolf is going to be awesome! My goal for your child is not to turn them into the next young PGA Tour star but to introduce them to the game of golf, or, in some cases, enhance their interest in the game of golf. It's a great game! Let's enjoy it!
